## NOTE WORTHY—3/24/24

- This morning in our 9:30 AM Growth Class, we used a question-and-answer method to make sure our church understands our missions program. If you missed it, you can find it online (Facebook, YouTube, website).
- Today, we will collect our Faith Promise. Faith Promise is the program we use to support our missions program. People are asked to give regularly (weekly or monthly) so that we can plan on ministries with which we will be able to partner. Pray about how the Lord would have you to be involved.
- After the morning service, we have our International Missions Banquet. Guests are welcome to join us.
- Easter Schedule:
  - \* 8:00 AM Better than sunrise service
  - \* 8:45 AM Bruch (plan to bring food)
  - \* 10:00 AM Morning Worship Service
  - \* 11:45 AM Egg hunt for the kids
  - \* 6:00 PM No service
- We have a sign-up sheet at the information desk for food we need at the Easter Brunch. You are free to add additional items, but these are the core things we would like to have.
- **YARD SALE** - There will be a yard sale in the Front Parking Lot on April 13 from 8:00 -1:00 PM. Cost is \$15 per spot with tables available by request (\$5 per table). The spot and table rent will be used to help the teens going to summer camp and on the Mission trip. Call 540-955-3410 to reserve your spot.
- **Academy New and Notes:**
  - \* Our Junior and Senior high students did a great job at the ODACS State Fine Arts Competition. The student began preparing in September, and it takes a lot of focused preparation to get to this point.
  - \* Easter Break, March 28– April 2 (Thursday & Friday, Monday & Tuesday)
  - \* April 9-11, AACS National Fine Arts Competition in SC
  - \* April 13 (Saturday), yard sale on the grounds

Our “winter schedule” comes to an end after Easter. Over the course of the last year, we have had some good discussions about our church schedule. Traditionally, churches have a Sunday morning service, Sunday night service, and Wednesday night prayer meeting. Christians recognize that while this is “traditional” and has worked well, that schedule is not “inspired.” For example, when I visit Jordan, Sunday is the first day of the work week, and believers can only meet for an evening service. At this point, our church family seems to benefit greatly from our Sunday AM service and our Wednesday Bible Study and children’s programs. The Sunday PM service is the one we have asked, “Is there a better option?” It would not be right to abandon our service simply because people want more time for themselves, but if there is a more effective model, we should consider it. In our deacons and trustees and wives’ meetings, we have studied several options. After much discussion, we decided the only way to know if there is a better way is to try. Thus, the “winter schedule.” That, however, is not the only option. We have a couple of other possibilities and appreciate your patience as our church family enjoys learning and fellowshiping through some different schedules.
