- Thank you! I get to hear comments from people about the work that our church family puts in the Vacation Bible School. Thank you for your conscientious work. From the decorating to the program itself, we had a great week. The objective is to reach young people for the Lord. The by-product is transformed families and individuals. Help us follow up on the people who attended.
- Today, we have a brief business meeting to approve our budget and elect our church officers. If you are visiting with us, the meeting will not be long. Our operating philosophy is to allow the Deacons and Trustees to do the work we elect them to do. They are great group of leaders.
- The Biblical Theological Seminary (BTS) in Amman, Jordan, is one of the ministries our church supports. They have purchased a building and need to do some renovations. It is a wonderful opportunity for them, but one of their donations did not come through. Sunday, July 28th, we are taking a special offering to help.
- July 28th is a 5th Sunday Communion and fellowship. For the fellowship, everyone bring sandwiches, A-L bring desserts and M-Z bring chips.

What is the Establishment Clause?

When the colonists came to America, the government of England had an official church, and English citizens could be punished for worshipping in any other church. The colonists' desire for religious freedom caused them to leave their home nation completely.

The first Amendment declares that the federal government cannot create an official church that everyone must support—this is, the government may not establish an official religion.

The original intent of the Constitution was never to say that school teachers cannot lead a class in prayer, only that the federal government couldn't force people to support an official state church.

 - B. I (Ken) am leaving on July 17 to work with a group in Mexico. Pray for a smooth trip for me (wisdom and health/safety), and a smooth time at home for Rachel and Bailey while I'm gone.
 - C. Pray that the ministry would be valuable to the team there for evangelism and discipleship of their youth.
2. Matias & Kristine Espinel, Director of F.E.B.U., a Bible college in Montevideo, Uruguay
3. Frontline Magazine, a ministry of Foundations Baptist Fellowship Int'l. (FBFI)
 - A. FBFI office transition process. Malinda Duvall is retiring and Suzanne Fell is replacing her. Prayers for patience, understanding and learning for Susanne as she learns her new job.

PRAYER REQUESTS

Pam Sprecher - her mom (Mrs. Renner) recently fell and seriously injured herself.

Aaron Thompson - Pray for Emily - on June 21 she unexpectedly delivered our son Noah at 25 weeks by emergency C-section. The baby is stable and the doctors feel like he is doing well. Please pray -(1) that his lungs would continue to develop and (2) that a duct in his heart would close up without the need for surgery or harsh medications. He will be in the NICU until the end of September.

Jean Moroney - Knee surgery has been postponed. Please keep praying for her as she is in a good bit of pain.

If you wish to have someone added to the prayer list, please email Mrs. DeHaven (carol.dehaven@keystonebaptist.org) no later than 9:00 AM Thursday morning.
