NOTE WORTHY - 6/1/25

- Growth Classes meet on their normal schedule today and will continue to do so until June 22. June 29 is a 5th Sunday communion and fellowship. On July 6, we begin our Vacation Bible School at 6:00 PM. The remainder of July, we will tackle topics in a combined class, then return to individual courses late in the summer.
- At 5:30 PM, Group One meets for **G.R.O.W.** May was an unusual month, as our Sundays were affected by the end of the school year schedule and holidays. Remember, **G.R.O.W.** is our opportunity to serve and use the talents God has given you. Be creative in reaching others.
- During the summer months, we often undertake renovation projects. This year, we have three projects that will take some time, and we will need volunteers to help.
 - M-9 will be the new staff workroom. The copier, supplies, and other items will have a new home.
 - Completing the classrooms in the old cafeteria.
 - Refreshing the main floor of the parsonage and completing the work on the lower floor restrooms.
- Thanks for signing up to help with the Summer Kids' Club. The goal is to have a variety of people, so the responsibility is shared. If you can take responsibility for one of the mid-week Kids' Club meetings, sign up at the information desk. Pastor Moore can answer questions.
- June 14 @ 11:00 AM, we have a bridal shower for Grace Channell. If you would like to help with food, please see Jessica Channell. Please sign up at the information desk if you are planning to attend. Grace's wedding is on July 19 @ 2 PM. If you have not responded, the QR code is still at the information desk.
- One of the difficulties we regularly address is keeping the foyer and hallways clear during the services. We have people assigned to "hall duty." If you are not on hall duty or have a specific ministry during the service, please enter the classroom or sanctuary during scheduled events.

Facts & FIGURES

The summer months give churches an opportunity to expand their ministry to families. This summer, our Preschool will continue to operate, and we will have church-sponsored camps. The camp idea is different than what we have done in the past. Rather than a summer daycare type program, this allows families to choose the weeks they can be involved. It exposes young people to skills taught in a biblically sound environment. In addition to Preschool and Church day camps, we offer Vacation Bible School, week-long camps for juniors and teens (including an overnight camp for the younger age group), and summer kids' clubs during the mid-week service. I appreciate the people who help with our programs. Most are well aware of the necessity of reaching and teaching truth early. The majority of people who are won to the Lord are converted before age 12. Thank. You for your financial and prayer support. God has given us great opportunities, which translate into great responsibility.
